PROFESSIONAL SUMMARY

Delivery leader with 15+ years running ERP and digital transformation programs in Saudi Arabia, the UAE and Egypt. Heads solutions delivery at Leader Investment Group: 18 concurrent government projects on average, about SAR 25M each. Previously led end-to-end SAP S/4HANA and Plant Maintenance programs at an SAP Platinum Partner, and Oracle EPM, NetSuite and Jedox delivery.

Core expertise: Program & portfolio management · PMO & governance · Smart City & e-Government · SAP S/4HANA & SAP Activate · Oracle EPM, NetSuite, Jedox, Odoo · Vendor & contractor management · Risk & change control

KEY ACHIEVEMENTS

- Run a government delivery portfolio of about 18 concurrent projects, roughly SAR 450M in value.
- Took citizen-facing services live for Saudi entities: the 940 and Nazaha 980 incident management systems and Smart City platforms for the Eastern Province and Hail municipalities.
- Delivered end-to-end SAP implementations and project support across automotive, oil & gas, trading and non-profit sectors.

PROFESSIONAL EXPERIENCE

Head of Solutions Implementation & Delivery — Leader Investment Group (LIG), Saudi Arabia — Jan 2024 – Present

- Lead the Solutions department, owning delivery from solution design through go-live and operations.
- Run 18 concurrent projects on average (about SAR 25M each), some 30 in total, for the Ministry of Defense, Nazaha and the Eastern Province, Hail, Jazan and Hafr Al-Batin municipalities.
- Launched Smart Lighting, Smart Irrigation, Cleaning Operations and Visual Distortion platforms, the 940 and Nazaha 980 incident management systems, and Ministry of Defense property management and contact-center solutions.
- Set governance, risk control and KPIs for service quality, contractor performance and citizen engagement, aligned with Vision 2030.

Senior Program & Delivery Manager — LIG, deployed to Eastern Province Municipality, Dammam — May 2023 – Dec 2023

- Led ERP and e-Government initiatives on-site with municipal leadership, defining program roadmaps and introducing agile delivery and digital governance tools for on-time delivery.

SAP Program Manager — Edraky, SAP Platinum Partner, Egypt — Jun 2021 – May 2023

Promoted from SAP Senior Project Manager, Aug 2022

- Directed concurrent SAP programs and their project managers under SAP Activate, owning scope, estimates, resourcing, risk and client sign-off.
- SAP S/4HANA for Toyota Egypt (SD, MM, FICO, HCM, CX, VSS, SAC), ENPPI (SD, MM, FICO, HCM, PS), Egyptian International Motors and Baheya Foundation (S/4HANA and CX).
- SAP Plant Maintenance for Nissan Egypt, Agiba Petroleum and Abu Qir Petroleum, and an SAP Bank Communication Management project for Abu Dawood Group (KSA).
- Ran change management and end-user training to secure adoption after go-live.

SAP Project Manager (Consultant) — Practiq Consulting, Egypt — Feb 2021 – May 2021

- Strategy and organization consultant; client-side project manager for TEPCO's SAP S/4HANA, SuccessFactors and CX implementation: owned the plan, supervised the SAP partner's delivery and acceptance, improved the client's processes and handed over to support.

Oracle Project Manager — Azdan Business Analysis, Egypt & UAE — Nov 2019 – Jan 2021

- Delivered Oracle FCCS financial consolidation for Reload Logistics, Jedox performance-based budgeting for GPSSA Abu Dhabi, Jedox planning for UNA Trading (Mantrac), NetSuite ERP for Reportage Properties, and Oracle Hyperion planning for DMG and Dar Al Mimar.
- Managed scope and change control across six parallel projects, and supported YAS Holding, Umniah and Replacement International (KSA).

ERP Project Manager — Al Kharafi Group (BDRS), Egypt — Jun 2019 – Oct 2019

- Led the internal team of the group's technology-solutions company, implementing Odoo ERP for group companies.

ERP Project Manager — ACME Group, Egypt — Apr 2017 – May 2019

- Reporting to the General Manager, ran concurrent full-cycle ERP implementations for mall development, manufacturing, retail, food, trading and e-commerce clients, including Odoo for Ariika and mall-management integration for Marakez (Mall of Arabia); prepared estimates and RFP responses.

IT Manager — TechOrg, Egypt — Aug 2014 – Apr 2017

- Built the IT department (network, systems, VoIP and support teams), owned the IT budget, ERP rollout and cloud infrastructure (AWS, SoftLayer, DigitalOcean), and advised the holding group's 13 branches in Saudi Arabia and Bahrain.

Earlier career 2010 – 2014

- IT Assistant Manager and System & Network Engineer, MATA Group (2013 – 2014): Windows Server, Active Directory, FortiGate security and VMware virtualization.
- System Support Engineer, ECCO Outsourcing (2011 – 2013): supported 800+ users on multinational contact-center programs. Applications Implementer, Arab Academy (2011). Telecom Analyst Engineer, NTG Clarity (2010): STC transmission data migration.
